CALIFORNIA PROPOSITION 65 DECLARATION

Dear Valued Customers,

This certificate is to inform Flexform's customers that items produced by Flexform do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986. This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:

http://www.oehha.ca.gov/prop65/prop65_list/files/P65single01032014.pdf

Be assured Flexform Ltd will continue to monitor the Proposition 65 regulations for any new chemicals. Flexform Ltd will compare any newly listed chemicals with the new materials in our finished product and communicate this information to our customers.

Regards,
